[HOW TO]

MAKE STELLAR VERSIONS YOURSELF

You don't have to be a pro with the KitchenAid mixer to whip up superior ice cream sandwiches. Just buy the good stuff, let the ice cream thaw until it has the texture of soft serve, and be conservative with the filling unless you want some in your lap. Here are a few combos to try.

- 1** **Tate's Bake Shop Chocolate Chip Cookies + Jeni's Salty Caramel Ice Cream**
(tatesbakeshop.com; jenisicecreams.com)
- 2** **Pepperidge Farm Chessmen + Vosges Red Fire Ice Cream**
(pepperidgefarm.com; vosgeschocolate.com)
- 3** **Trader Joe's Triple Ginger Snaps + Häagen-Dazs Mango Ice Cream**
(traderjoes.com; haagen-dazs.com)

[THE COMEBACK]

Ice Cream Sandwiches

Combine cookies with ice cream and you have something doubly delicious—at least in theory. In practice, though, you often end up with a mushy dessert that relies on musical-truck nostalgia for its appeal. But when the best pastry chefs in the business pair gooey truffle cookies and freshly churned ice creams, the dream is realized. If only your grade-school summers had tasted this good. *JJ Goode*
